Dear Sir:

You will proceed to the Brigade of Arkansas Troops, commanded by Brig. Genl Pike, and in accordance with the agreement made by the Military Board of Arkansas and the undersigned, you will muster them into the service of the Confederate States, and take Command of them. Genl Barrow has been appointed by the Military Board, to turn these troops over to the Confederate States, and from him you will receive them.

You will receive the Regiments only, and a General & Staff Officers, will be provided, except one Major and one Adjutant for each Regiment. The Confederate Government appoints all Staff Officers, including the surgeons and assistant surgeons, and these cannot be dispensed with. You will muster them into service, to await the approval of the Secretary of War.

You will receive all

the subject of the "Public Property" is a subject  
of the highest importance, and one which  
the Government and the people should be  
careful to consider. The Government  
should be careful to protect the public  
property, and the people should be  
careful to protect the Government's  
property. The Government should be  
careful to protect the public property,  
and the people should be careful to  
protect the Government's property.

After receiving the troops herein  
named, you will march them by the shortest  
route to Pittmans Ferry, except the Canals, &  
which you will station at such points on  
the western frontier of Arkansas as will  
afford the protection to that portion of  
the state, and where they can be supplied  
with forage. Have arms, &c. also,  
in which they can be subsisted with safety  
to them.

Gen. will find the view of that  
written in relation for his  
Guidance, as the nature of the service  
may demand.

By the Squadron of Cavalry under  
Capt Scott, stationed at, or near, Fayetteville,  
is not marching in this direction.

Sept 24, 1861.

My dear Colo:

The reason I have  
from the news given us, that we shall  
have a long time there this fall &  
winter. I have been expecting an express  
from you or would have written before  
to visit you here. I must leave you with  
your regiment. Your brigade went off  
a long time. It has suffered dreadfully  
from sickness & discharges.

If you decide to send  
the troops you have mustered  
into service, it will be necessary to  
send them as we have no arms and  
ammunition on this point you will  
have no disappointment with our de-  
parture. I want more troops - they are  
much needed. If sent, make all suitable  
arrangements for their transportation and  
subsistence and proceed yourself in ad-  
vance to join me. I shall take about  
6000 men with me to the River, I wish I  
had 10000. Yours &c.

North Washington, D.C.  
Dear Sir,  
Sept 27 - 1862

Three men, (a citizen of the name of Williams, and two men of Captain Morgan's Squadron,) whom I met in the neighborhood of Greenbush on Saturday evening last, returned in afternoon and they crossed the river at Rockville, one mile and a half below Lemmon's Bend, and eight miles above Greenbush. Thence they went directly East to the house of Mr. Thomas W. Robin, (in Taylor County,) about three miles of a mile from the Campbellville and Columbia Turnpike, and two miles from the point, where they crossed the River. They learned from Mr. Robin, and from his many neighbors, that there are about one hundred infantry, standing at Bridge, upon which the Campbells and Columbia pike crosses the river. That most of the sick who had been at the bridge, have been removed; that, it was thought, the men had no tents, but stayed in the neighborhood, in houses, and constantly about twenty men were present at the

...; that about two hundred  
of the Infantry of Collier's com-  
pany, under Lieut. Col. Carlisle, were  
in the pile, repairing it, at Bethel  
church, four miles from the  
city. Towards Campbellville it was  
about two Regiments, or parts of Regiments,  
at the "Stone House", two miles from  
the city, on the river, in the direction  
of the place, and then they went  
up at Campbellville at night a few  
miles; that there were about twelve thou-  
sand, between Columbia and Stanford;  
the thousands of them were in the  
immediate vicinity of Columbia;

The plan proposed by Capt. S. S. S.  
for destroying a part of a  
rail road track at the instant  
a hand-car, engine, or train  
of cars, was passing, is ingenious,  
and if carefully executed, would  
be of great service.

the result might be  
only the destruction of a  
working party of a few  
laborers, who would be  
sent forward to examine  
each part of the road  
before it was ventured to  
send an engine or a  
car. It is hardly to be  
expected that a body  
of troops would be the  
first to advance, in a  
train of cars. Such  
transportation for troops  
could only be made  
with safety if the  
road was fully in the  
possession of the enemy  
& carefully examined

I respectfully suggest that the matter

Bell's Times Jan'y. 22. 1862

Louisville Democrat of 21<sup>st</sup> inst.  
just brought down by Capt. Morgan from Row.  
Bell's contains accounts of fight between Gollicoffer  
& Thomas, and Gollicoffer's defeat & death. It  
says: Gollicoffer learning from his spies that  
Thomas was marching down from Columbia  
with between five and six thousand men, deter-  
mined to take him by surprise, and attacking  
him with a superior force cut him off before  
reinforcements reached him. Taking ten thousand  
men he marched out of his entrenchments, and  
at six o'clock Sunday morning commenced  
the fight. Battle raged hotly & furiously till  
about noon when the rebel forces were put  
to flight in disorder, leaving two hundred killed  
& wounded on the field. Among the killed  
was Bailey Peyton Jr. of Gollicoffer's staff, and  
among the wounded who shortly afterwards  
died, was Gollicoffer himself, found in a wagon.

The loss on Federal side estimated at  
seventy killed & wounded probably more.  
Rebel force fled to their entrenchments  
& Thomas waited until Monday morning  
to attack and capture or cut them to pieces,  
but rebels crossed the Cumberland during the  
night leaving everything behind them, without  
even destroying anything. The fight is reported  
as having occurred at Wells Cross Roads.

The facts in regard to Mrs. Underwood's complaint are these:-

At Oakland, during several days, my commissary had no sugar or coffee. Repeated requisitions on Bowling Green were unnoticed. In this interval, Mrs. Underwood's agent presented to me the order from Wilder, enclosed in your letter of to-day, directing his owners to deliver to her or her son 1 bbl. salt, 1 bbl. coffee and 1 bbl. sugar. Ascertaining that these articles were in Wilder's store-room, of which I had previously no knowledge, I refused to allow the agent to remove them, and directed that the sugar and coffee should be taken and issued by my commissary.

It was found that there were five or six barrels of salt in the store-room. I directed that it should be reserved for use when the weather should be suitable for loading and packing the bags on the place, numbering one one hundred. This intention of mine as to the bags was her

J. W. Wells, R. H. Hagler and B. K.  
McKean.

Gillmore's Guard goes to this  
place from Map Nixon attempted to pass  
Dakota and was arrested. I presented  
that General Duckworth had recommended  
him for a pass through to Louisville  
not satisfied with this showing. I confined  
him and telegraphed to General Duckworth  
for information on the subject, who  
replied that it was not intended for  
Gillmore to go in that direction. I have  
accordingly returned him & now send  
him to you that the proper investiga-  
tion may be made. He was going up  
the river making his way around for  
Louisville.

Misses W. H. & H. H. Parker  
came to my house on Saturday, without  
gradually showing their political feelings  
but showing strong southern sentiments,  
and representing themselves as having  
friends & relatives in the service of  
Dwight Green. They have one small  
negro boy who is sent along. They  
are allowed to carry with them their

wagon in which is a quantity of provisions  
intended - as they say - for a Company  
in the 6th Regt. (Col. Lewis)  
The statements of these gentlemen  
are no doubt true, but to guard against  
fraud in this respect, I have deemed  
it prudent to send them to you for  
examination. Mr. W. H. Parker is apparently  
himself as belonging to Capt. Barclay's  
Company. (Col. Lewis's Regt.) and has  
an informal furlough, signed by the  
Captain of his Company, only. Unless  
otherwise directed, I shall continue to  
arrest persons having such or no  
better permission, to be absent from  
their Companies.

Mr. McHanan was  
arrested while traveling along the Highway  
and there are no reflecting circumstances  
- tending militating against him - without  
assurance, ~~from~~ his sympathy  
with us. However, I did not consider  
it advisable to put him into Bowling  
Green. He represents that he has  
no brothers in the 2d Ky Regt. and  
he, of course, can establish the fact  
that he is entitled to a pass - port  
upon his arrival there. The other pris-  
- oners, Hazlett, Blasco & Willis, are  
the instigators of all depredations com-  
- mitted lately in the neighborhood of  
Bowling Green upon Southern men  
and with certain relations of theirs

have been the leaders of the marauding  
parties in that section. They are the  
ones, too, who a few days since, attempted  
to assassinate the Sheriff of Brownsville  
for acts of friendship toward scouting  
parties from my Camp, and other  
incidents of a Southern feeling. They are  
invited by Capt Mc Neil, who with  
a party had been sent to the neighborhood  
of Brownsville to burn some ferry  
boats. & from whom they attempted  
to flee as soon as they were made aware  
of this approach. They are dangerous  
and troublesome characters and I  
earnestly request that they be held  
as hostages to secure the good  
conduct of their relatives & friends  
who have hitherto at their bidding done  
us so serious damage.

as a Brigadier.

Rust is exceedingly turbulent and fan-  
tims. - I have refrained from re-  
sisting these offers of duty, dreading  
the effect upon our troops and peo-  
ple, and upon the enemy. - If they  
had never been in command here  
could have done far better.

If you do not want these offers  
on your side, Rust might be put in  
command of a Fort in Southern Texas,  
like made Commissioner as before  
yesterday and Roane sent to South  
Louisiana to enforce the con-  
tract.

I implore you to send me Ben Cle-  
ver, and Col. Marcus Duke, and  
write with me in recommending  
an immediate appointment as Brig-  
ade General of Col. Marcus Duke  
and Maj. J. A. Shoup. - With these two  
as lieutenants I would be 10,000 men  
this offer. If I had these now I  
could destroy Curtis in ten days.  
It is, I may be, a fugitive in  
time - For God's sake give me

were in command of the Western De-  
partment. - If Gen Beauregard is still  
in command, show him this letter,  
and urge upon him the import-  
ance of his early attention to it.

General Committee May 27. 1862 -

I have been ordered to accompany to  
some command there, and expect to leave  
in the 2 o'clock train today. I have had  
the men for some time, as ordered, the  
morning private of what is now Col. Seem-

John Wells of Capt. Thorpe's Company,  
Lewis Hillman of Capt. Butler's Company,

Thomas M. Hays of Capt. Cochran's Company.

Having served with me some time  
the men are not willing now to leave me, and  
of them being called and since they would if  
we prefer to return with me to that  
city, and I am anxious to have them.

I ask of you, therefore, that you allow me  
to take them with me.

Please inform your officers on this  
matter, and I desire to see Gen. Beauregard  
and it is so important to do so at  
once.

I applied today to head

certain of the latter, and I

have not applied for him. But,  
in point of fact, I think Shoup's  
services here, in his former answer-  
less position, are by no means so  
valuable as Gen. Beauregard could  
see. I think Shoup himself feeling  
appreciated, and you and I know  
him well enough to take his nature  
about as correct. Besides, he has  
more that individuality of spirit  
that an officer of his grade  
especially these times ought to  
have. He is gradually becoming  
more of a development, and has  
fitted opportunities for service in  
the proper climate. I think  
I can't go but am to this  
extent? I think if you would  
call, as Gen. Beauregard says to  
opportunity - tell him how little I  
knew, and how much I think

know - how necessary he is to  
me - the decision of to-day  
would be enough - this has  
been my duty this - 2  
several times or 2. Rem. to-  
morrow.

Remembrance: No. 2. 1861. May 22. 1861.

During the day, the enemy has been a  
log house, in a field just beyond Miller Creek,  
on north side of where is called "Glade branch",  
about midway between the two Winchester roads.  
Yesterday and to-day, one of my Captains and  
three men were actually wounded, and four  
men slightly wounded, by the fire from that  
position, which commands the ground held  
by my pickets on the upper road.  
To prevent further loss from that cause,  
I had a road made this morning from  
the lower road to a point commanding the  
house. - The enemy now discovering that we  
had done so. When asked to surrender, I  
directed Maj. J. Anderson first to dislodge  
the enemy from that position, and, if practicable,  
to burn the house. -

Under the firing, your friend: -

Gen. Beauregard directed, by telephone

I am very much at a loss  
with certainty, say. - I hope, we will

There is abundant the loss of my hip

been removed. - This keeps me in crutches.

I am impatient to get them out and  
be again in active service. - But my physi-

cannot take place in a few times there.

Went on these days. - My general health is  
very bad, which retards the healing of my  
injured limb. -

I shall report on the very earliest  
moment possible, and, and make sure,  
if thought advisable, to undertake any  
duty which I would have the strength  
to perform. -

Charges and Specifications Against Major General  
Thomas C. Hindman of the Confederate States Army

Charge 1st  
Conduct unbecoming an Officer and Gentleman

Specification 1st

In this that the Major General Thomas C. Hindman of the Confederate States Army, did without any provocation on the morning of the 24th day of August 1863 go to the tent of certain officers attached to Genl Polk's Staff, to visit the tent of Col. M. S. Polk between the hours of one and three o'clock in the said day and say to the officer occupying said tent, "What are you doing here?" "Who are you there?" "Upon what business attempting to reply back with, 'The hell you want, did not my Or-Master send you there?' " "Leave here tomorrow morning and early, if you demand if I don't move you." "God damn my soul and why General Polk sent me here to see you and take my staff across and saying to one of his officers 'Where is Capt. Jones?' 'See them to move these wagons away from here by sunrise tomorrow or damned if I don't' or words to that effect and in the presence of said staff there present.  would encourage the personal

 do not desire to retain him on

I have the honor to report that there are one hundred and ninety four (194) unoccupied beds reported in the different Hospitals here this morning. I think that the number of patients now in the ~~hospitals~~ will be diminished daily by their being returned to duty with their Regiments.

I have ordered privates W. H. Hines of Co. 61<sup>st</sup> N. C. Regt, and J. W. Knight Co. 5<sup>th</sup> N. C. Regt, who returned from Franklin Hospital this morning to report to Surgeon General Hospital No. 9. in accordance with Special Order No. 35. from your Office received some days since. There are two Hospital Stewards, just returned from Franklin, here, who are not needed here. One was at the 1<sup>st</sup> N. Carolina Hospital and the other was at the Poplar Grove Hospital. Shall I direct them to report to you?

Delaware, Va - April 16<sup>th</sup> 1863 -

Sir,

I have the honor to acknowledge the receipt of your letter of the 15<sup>th</sup> instant; and to report that the boy Morgan, an employee of the U. S. Hospital has been indicted for burning that hospital, pleaded guilty and was sentenced to be hanged by the Court today. He acknowledged that he set the house on fire and said that he was persuaded to do so by others, and now a trial is held to determine if a trial, as arranged, would have discovered the fire was caused by the discovery of some thefts of clothes of soldiers who died in the hospital, as well as he and others had been guilty and which would have been certainly discovered on Monday or Tuesday, if the hospital had not been burned.

We have to respectfully recommend the person be sentenced to receive the end to the care of the effects of

I enclose a copy of the morning reports of all  
the hospitals for this day, showing that there  
are only three hundred and eighty seven men  
beds in all of the hospitals and thirteen hundred  
and forty seven patients; and of this number  
there are about one thousand of them ex-  
changed or paroled prisoners of war.

There are about one hundred and sixty of the  
sick at all to be transported, which will be  
on the first good clear day. There are  
some two hundred of them who will  
give furloughs and leave in a few days.  
We will give us about four hundred  
vacant beds, if no more flag of truce  
arrive. About two hundred and  
fifty received into the hospitals yesterday  
are exchanged or paroled prisoners, and they  
are constantly being sent in from the front.  
I will have them all transported or furloughed  
soon as able to travel and have all the  
sick transported, as you suggest and shall  
advise, as I have often done before urge upon  
the surgeons the importance of returning our  
duty as soon as they are able to perform it.  
I am informed by Surgeon G. B. Strathairn  
that the hospital at ...

one Surgeon and one Assistant Surgeon at that  
hospital, with two hundred and forty two  
patients. Assistant Surgeon J. E. Smith has been  
assigned to duty at the A. H. Hospital, but has  
been sick all of this week. Asst Surgeon  
Henderson is engaged upon his reports and  
has not yet been assigned to other duty, but  
will be in a day or two.

Surgeon J. Baller Medical Director has  
requested that a car for the transportation  
of the wounded, with one Assistant  
Surgeon, Nurses, Nourishment and Stomach  
be sent down to Franklin's house  
each day, until further directions.

I have been able to send them up to  
me, but shall not be able to do so, as the  
number of patients increase in the hospital  
and I shall be glad if you can send  
me three Assistant Surgeons and some  
eight or ten nurses for the purpose of superin-  
tending the removal of the sick and wounded  
to this place.

Petersburg Va - June 13<sup>th</sup> 1863 -

Gov.

I am very sorry to have to inform you of the total destruction of the St. Albans Hospital, by fire, last night, between the hours of 9 and 12 o'clock - The fire was first discovered about 9 1/2 o'clock, the alarm given and every effort made to put out the fire, but all in vain. Everything in the hospital was destroyed except the books and the greater portion of the medicines which were saved. It was either the act of an incendiary or of spontaneous combustion, for the room in which the fire was first discovered was that in which the effects of men who had died in the hospital were deposited. The boardmaster had the key in his pocket and had not had occasion to enter the room in weeks. Assistant Surgeon St. M. Henderson who was in charge, informed me that he had visited that portion of the hospital and that what was found was in

patients in this hospital for several weeks  
and it was being repaired and thoroughly clean-  
ed and would have been in readiness for the  
reception of patients on Wednesday.

There were seven white men, six of them  
attendants, in the hospital when the fire  
was first discovered. Four of them in the  
office, one on the second floor and three  
on the third. They continued to try to put  
out the fire, until they were compelled to  
leave the building by the smoke. I have examin-  
ed all of them who saw the fire at first and  
they all give it the same location viz in  
the hall adjoining the dining room. I  
went down to the dining room and  
went through the dining room to the closet and looked into  
the gallery adjoining the closet and did not  
see any fire or signs of any, except in the  
closet, and when first observed the smoke  
and fire was coming through the floor of the  
2<sup>nd</sup> story over the closet.

There are some reasons for supposing that  
it was fired, by a negro boy who had been  
and was employed there, and I will endeavor  
to have it thoroughly investigated.

which, all the other property belonged to the  
State of North Carolina.

Enclosed I send you a plot of the ground on  
1st floor of the hospital, where the fire originated  
with remarks.

I will distribute the Medical Officers and  
attendants to the other hospitals, where  
they may be needed, until I hear from  
you. They will be required, if we receive  
any wounded from below.

Also enclose the names of Assistant  
Surgeon Henderson on that morning  
report for this day.

by Capt B Bloomfield A. & 2 others

31<sup>st</sup> 1865.

It shows the amount of the work done in the buildings referred to in the report. I have of the rail road from this place and has thought that my other house would be better before the war. I say that I have been there since the war and in consequence, I have been suffering among the soldiers. The work done in the rail road was generally well and pretty well fitted up with negro families and soldiers. Of these very considerable number of the very under trained of the larger hospital accommodations were required, in addition to all that I have been able to secure up to this time. If it becomes necessary to evacuate the place, it will be necessary to provide for about twelve to fifteen hundred patients who have been accommodated in the hospital at this place, the food and the clothing. Of this can be provided in Richmond and sent on here or the authority can be obtained to have the food made in this State or if the patients at the hospital, concerning the food, you yesterday can be made up to the hospital use, I think it is better to prepare for the work and maintain any point where it may be required. I should be pleased to obtain as much as possible and as soon as possible, in order to be prepared for the work which has been taken up. I should be pleased to have any instructions or advice in regard to the work and shall continue to do everything in my power to provide for the work. I have recommended soldiers but I am glad to have report that my few articles are needed by the War, Marine Department and the Navy.

P. Hines, Surgeon,

I have the honor to advise, that I found as yet only very  
apparently, but almost, unprepared to provide, hands suffi-  
cient to accommodate the number of sick and wounded  
soldiers, who are now so liable to be provided for, and the  
number will increase rapidly, and it will soon be felt  
unpleasant to have no hands for them.

[illegible]

Mr. A. J. Orr reports the views of Young, Weston & Orr. When called, informs me that the money has collected in a considerable sum, but is insufficient in his opinion to make three hundred <sup>(300)</sup> hospital tents, so that an extra team comes for the purpose. We can order from the Sec. of the Navy. Mr. Orr states that the tents can be ordered in quantities by the members of the Foreign Battalion etc. They are very much needed and will be of great service if they can be made.

Dear Sir, Very Respectfully,

Yours, Wm. L. Garrison.

Under P 1 General Order to 118 Regt

that I am here, by order 2. M. General, as  
Post-Quartermaster. I am dis. Va, Tax in kind

Under P 2 same order, I have the also  
honor to report, that Capt. Lee, M. G. General  
& 2. M., has been placed here by order of Maj  
Gen, Quartermaster, of Gen Lee's army corps  
to supply it with food. In my opinion, as soon  
as the Gov begins to furnish in the fields of  
Va. G. and Virginia (and Capt. Gamett is of the  
same opinion) his services can be more useful in  
the Government. Please Richmond: up to this time they  
have been necessary here.

Mr T. J. Woodbridge transportation agent sent  
here from Virginia, before any 2. M. Office was opened  
can be dispensed with. It is the policy of  
the Department to keep it separate from the Post-

This Post is in an ex-  
traordinary position as to be left upon my com-  
mand. Thus far I have com-  
pletely discharged the duties of  
Post and Depot and Transportation  
Quarters master at it, in addition to  
that of Titheing 2nd, of this District  
just twice as large as others in  
the State.

The break in the Central R.R.  
has thrown thousands of soldiers  
and immense freight to this  
point & the regulations require me  
to accept in person for every  
passage shipped or received.  
This and the arrival of Hostiles  
to this cause and the possibility  
of it becoming out to some day  
Titheing head Quarters also where  
makes it impossible for me

offices; besides this my health is  
becoming very poor under this double  
work of my office.

I must respectfully request

Montgomery Sept 2<sup>nd</sup> / 1861

Hon L P Walker  
Sec<sup>y</sup> of War  
Richmond

Dear Sir

My friends have personally spoken to you asking an appointment for me. I was in New Mexico prior to the war & when I returned joined a corps as private in which capacity I have been acting Four months.

I was an officer in the Topographical Engineer in the 16<sup>th</sup> & 8<sup>th</sup> with Col<sup>l</sup> Emory in the Survey of the Mexican Boundary in the years 1853-4 when I was compelled to resign on account of my private affairs. My Uncle Col<sup>l</sup> T J Judge was desirous of appointing me adjutant in his Regiment but was not allowed on account of my connection with another Company.

Col<sup>l</sup> T H Watts has also offered me an appointment but the same reasons keeps me from accepting. If there is an appointment

though I do not ask it as a right; if I do not  
get an appointment - I can still serve my  
Country as a private & shall continue to do  
so as long as the war lasts, though I have many  
friends who were with me in Mexico in arms a-  
gainst me. Should you give me an appoint-  
ment write me at Pensacola care Capt Clau-

Statement

About the 1<sup>st</sup> of Sept 1861  
acting a g o m. to the command of Col St. M. Roub  
who was bringing Lexington. I urged upon the Col commanding  
the use of hemp bales, in assaulting the College. Forti-  
fication at that place. Col Roub not giving a favorable  
answer to my suggestion, after elaborating my plan for the fur-  
ther assault, to Col Thompson M. Ewing and Mr Edward  
Hindson I furnished them to go in person and advocate its  
adoption by Col R. The arrival of the Federal Regt com-  
manded by Mulligan & Marshall caused us to retire southward  
to "Index" <sup>and then</sup> to unite with your troops. Salutations to have  
my views laid before you. I approached two of your Staff  
Officers (Col<sup>o</sup> Broad and Reid) requesting either or both  
to present them, whether the officers referred to or mentioned my name  
or plan to you is more than I can tell, though I know you by sight  
I had never spoken to you and did not feel at liberty to approach you  
myself. The next day after you had driven the enemy from the  
surrounding country and the environs of the City, into their entrench-  
ments. Surrounding the College, just before sunset. I was summoned to your

quarters. when after a brief conversation your written order  
to forward next morning to Washington with fifty Wagons. loaded  
them with baled hemp and report with them back to  
your Head Quarters before dark, was placed in my hand. I com-  
plied with the order, when I returned you directed me to place  
the Wagons in a place immediately East of the residence of  
John S. Portey they were then established within two hundred  
yards of your Tent, and remained so situated until you moved  
from the place some three or four days subsequently. when by  
your order I was given through your Adjutant I took position  
at the rear of the Army and followed with the Wagons and hemp  
into Lexington

Yours  
Wm. H. Price.

Respectfully,  
Thos. H. Price

Sir:

I beg to tender the Lt Genl Comdg  
my immediate and unconditional Resignation as

My reason for this is, that having, upon my appointment  
as Regimental Q. Master, immediately filed a Bond, in  
accordance with Regulations, of which no notice was ever  
taken; I am now required to file a second Bond, which  
I am unwilling to do, and therefore trust that my resig-  
nation will be immediately accepted

I am

Military Hospital  
October 29<sup>th</sup> 1862

Sir,

We take the liberty of addressing you to day, to call your attention to a change in our situation ordered yesterday by Dr. Head, Med. Director.

Confederate Surgeons, we were, on our arrival here, (on our way South from attending to our wounded in Perryville,) arrested and sent to the Military Hospital, to be held, (so we were informed) as hostages for a Federal Surgeon, said to be confined in Knoxville, Tenn. We are now to be sent to the Military Prison by order of Dr. Head.

While we ask leave to doubt the truth of any Federal Surgeon being confined merely for being a Federal Surgeon, we would respectfully request of you, if we are

held as prisoners, to be confined  
to some other quarters more  
conformable to us as noncombatants  
and more suited to our condition.  
We will cheerfully give our parole  
of honor not to leave any premises  
or house you may confine us to;  
or give you bond here in the city  
if released on parole to return here  
in a specified time if the Federal  
Surgeon should not be released,  
or give our parole to remain here.  
We respectfully request that if  
we are to be held as prisoners, we be  
assigned quarters better suited to our  
condition than the Military Prison  
provided we have to leave the  
Hospital.

We are, very Respectfully

Dear John:

I have succeeded in obtaining one drum for you. My little nephew Charlie Hughes has a very nice one given him by his father. It was captured from the Yankees at Plymouth. The little fellow sends his compliments & says he is very glad to aid you or the cause in any way in his power. It would please him very much if you would write him a short note thanking him & complimenting him for his action. I have directed Capt King to forward the drum. I delivered your letter to him this morning (the last). Your application for the transfer of the men has been sent to General Davis where the Gen'l now is & where the Ad. G. now are.

In haste, Yours -  
J. Davis.

 of War.

If this question is considered  
 solely with reference to the  
promotion of this officer, on  
 the grounds of past services,  
 there are about fifty officers  
 of the 3d Regt. <sup>claims</sup> superior  
 of his grade, who would, under  
 the views of the President, have  
 to be considered in comparison  
 with his own; there being other  
 number whose dates of rank  
 are superior. The claims, to  
 promotion, of many of these of-  
 ficers, on the ground of services  
 are fully equal to those of Capt.  
 Hinsdale, though he is an appo-  
 inted.

If promotion is asked because  
 an officer of the grade of Ma-  
 jor could better perform the  
 duties, the Bureau has an  
 officer of that grade already  
 in commission, who could be as-  
 signed.

Captains.

I desire to call your attention to the fact that the pay allowed by Government to persons in the Military Dept. by 40¢ per day is now being for their maintenance. These details to our Government Contractors are allowed regular wages as privates. I have also to state that the cost of work in the department—over thousands of dollars being the Government's loss—is totally insignificant for their support.

I would respectfully request that some steps be taken by the General Command to bring these facts to the notice of the Government.

I am, Captains
